Herttoniemi library, Helsinki, March 2015

Ravintola Rytmi, Helsinki, November – December 2015.

On art ...

At the age of 25 I decided that I will never do anything related to art. I kept my promise about the same time, until I started drawing again about 7 years ago. Since then I have practiced drawing almost daily, but without any professional ambitions and with very vague ideas about the nature of art.
